

3B Medical Recognized for the Second Year in a Row on the Inc. 5000 List of the Fastest Growing Private Companies in America

3B Medical, a Central Florida Medical Device Manufacturer, Continues its High Growth With Three-Year Revenue Growth of 255 Percent

NEW YORK, August 12, 2020 – *Inc.* magazine today announced that 3B Medical earned a spot amongst America's fastest growing businesses. 3B Medical ranked 1,685 on the list with a growth rate of 255%. The list represents a unique look at the success stories of small businesses who make up the backbone of the US economy. Over the years the Inc. 5000 list has recognized other well known fast growing companies such as Microsoft, Timberland, Vizia, Intuit, Chobani, and Oracle.

"3B Medical is honored to have secured for its second year in a row a spot on this most coveted list of fastest growing businesses in America. Our robust year over year growth has continued reflecting our delivery of our strategy to design innovative medical devices to service respiratory and sleep patients. We are grateful for our customers' support and enthusiasm for our quality products in our three product lines of sleep, oxygen, and disinfection. We are committed to expanding into new markets with our products and bringing new products in our pipeline to market that meet the needs of consumers, with a focus on quality, comfort and safety," said Alex Lucio, CEO of 3B Medical.

"2020 is shaping up to be another blockbuster growth year for 3B Medical, as we are seeing annual revenue growth targeted to exceed 75% over 2019 levels," stated Dave MacDougall, Chief Operating Officer.
